Frequently Asked Questions

What is the policy for owner proximity cards?

ELIGIBILITY:

Four Seasons Lakesites Property Owners in good standing (all amounts due have been paid for all lots owned by that individual or group and not in violation of any covenants, rules or regulations).

DEFINITION:

Proximity cards, which are issued as outlined below, are valid as long as the owner is a member in good standing. The owner is responsible for proximity card use unless the proximity card(s) is/are reported lost or stolen, in which case the proximity card(s) will be deactivated.

GENERAL RULES:

- Two (2) proximity cards with the Four Seasons POA logo will be issued per developed lot. One (1) proximity card with the Four Seasons POA logo will be issued to owners of an undeveloped lot. Only one (1) proximity card will be issued regardless of the number of undeveloped lots owned. **The cards belong to the property and should be passed along to new owners in the sale of the property to which they belong.**
- As outlined in the Fourth Amended and Restated Declaration of Restrictive Covenants, Article 4.2, paragraph C. "...With respect to a Lot which is owned by more than one natural person, or by a trust, corporation, limited liability company, partnership or other legal entity, no more than two (2) married couples or three (3) unrelated adults may exercise the rights and privileges of Members or Associate Members at any one time. The dependent children (as defined by the Internal Revenue Service) of any such Person may enjoy the use of the Development, subject to the terms of this Declaration."
- New owners will receive proximity card(s) after a copy of the notarized property deed is received by the management office if previously issued cards are not passed along to new owners.
- Proximity cards will be activated only after all amounts due have been paid for **ALL** Lots owned by that individual or group and are not in violation of any covenant, rules or regulations.
- Replacement proximity cards will be provided at a cost of twenty-five dollars (\$25.00) per card to the owners. Lost or stolen card(s) will be deactivated.
- Property Owners in good standing have the option to purchase the Brivo App for an annual fee of \$5 per calendar year per device. The Brivo App allows owners to use their smart phone to access the Four Seasons amenities.

What is the difference between The Four Seasons Lakesites Property Owners Association, Inc, The Village of Four Seasons, Four Seasons Lakesites, Inc., and The Lodge of Four Seasons?

Not all Four Seasons Property Owners are in The Village of Four Seasons. Consequently, not all owners in The Village of Four Seasons are part of The Four Seasons POA.

Four Seasons Lakesites Property Owners Association, Inc. (POA) (573)552-8334

www.fourseasonspsoa.com is a non-profit corporation of property owners located on both Shawnee Bend and Horseshoe Bend. Many on the Horseshoe Bend side of the lake are also within the boundaries of the Village of Four Seasons. The POA was incorporated in 1971 with governing restrictive covenants and building guidelines. The POA is governed by elected Board of Directors consisting of six volunteer property owners. The POA is responsible for the operation, budget, maintenance and services, covenant enforcement and amenities within the Four Seasons POA. The Board contracts with Missouri Association Management, LLC to manage the day-to-day operations of the POA.

The Village of Four Seasons (573) 365-3833 www.villageoffourseasons.com was incorporated in 1987. The Village Hall is located at 133 Cherokee Road and is the municipality which provides services such as law enforcement, funding for hiking and biking trails, parks and gardens, storm sirens and street lights within the municipality located on Horseshoe Bend. This local government also issues building permits and levies sales tax. If you live within the Village of Four Seasons, be sure to use "Four Seasons, MO" as your address when licensing your vehicle, boat or other large taxable purchases as the tax will benefit the area in which you live.

Four Seasons Lakesites, Inc. (FSL) is the development company that created the Four Seasons Property Owners Association.

The Lodge of Four Seasons (573) 365-3000 www.4seasonsresort.com, located on Horseshoe Bend at the Lake of the Ozarks is a hotel, resort, and marina. Harold Koplak completed construction of the Lodge in 1964. The POA is *NOT* affiliated with The Lodge of Four Seasons.

Camden County PWSD #4: (573) 365-6792 www.camdenpwsd4.com, Owns and maintains both the potable and waste water systems in the Porto Cima residential areas as well as a handful of systems on Horseshoe Bend. Construction of this infrastructure began in 1994.

Horseshoe Bend Special Road District (HBSRD): (573) 365-2832 www.hbsrd.org was formed in 1962 and maintains all public roads on Horseshoe Bend. There are approximately 160 miles in the system. While the roads are Camden County roads, HBSRD has all maintenance responsibility. Their funding is primarily from a tax levy. HBSRD also builds and maintains a system of sidewalks. The sidewalks within the Village of Four Seasons have been funded by the Village of Four Seasons. Existing trails outside the Village have been funded by the Lodge of Four Seasons. To receive text alerts, go to www.hbsrd.org and fill out the form, or text hbsrd to 59925.

Call For Volunteers

Committees advise and assist the board in conducting the business of the association. Interested residents of the community are invited to volunteer for committees where they have an interest and can make a contribution to the community.

Social Committee

Meet as needed. This committee assists in planning parties and activities to promote community spirit.

Architectural Control Committee (ACC)

Meet the first and third Tuesday of each month. The basic purpose of this committee is to preserve the aesthetic value and appearance of the structures and landscaping of the Four Seasons POA. Their goal is to maintain the neighborhood to the highest standards applicable. The committee considers and approves or disapproves plans, specifications and other items affecting the value and or appearance of the neighborhood in compliance with the ACC Builders Guidelines. It reviews and approves all plans for exterior changes and new buildings in the community.

Communications Committee

This committee was created for the purpose of identifying public relation issues that would be beneficial to the community. The committee members serve as liaisons to outside entities such as Ameren UE, Lake Ozark Watershed Alliance (LOWA), Villages of Shawnee Bend and Four Seasons, etc. The members gather information to report back to the Board of Directors, communicate property owners concerns to the Board and get answers to owners' inquiries.

Please contact Missouri Association Management, LLC office at 573-552-8334, 2121 Bagnell Dam Blvd. Lake Ozark, MO 65049 to inquire about joining any of these committees.
