

## **Honoring Our Heroes: Submit Photos for the Four Seasons POA Block Party Tribute**

As we come together for this year's Four Seasons POA Block Party, we're proud to dedicate a special portion of the event to honoring the brave men and women who have served our country and communities. Whether they are military veterans, first responders, firefighters, police officers, EMTs, or active-duty personnel, we want to recognize their courage and commitment.

### **Help Us Celebrate Their Service**

We invite owners to submit photos of heroes connected to our community—family members, friends, or neighbors who have served or are currently serving. These photos will be featured in a special tribute at the block party as a visual expression of our gratitude.

### **How to Submit:**

- Email your photos to [events@mam-llc.com](mailto:events@mam-llc.com)
- Include the individual's full name, their role (e.g., Army veteran, firefighter, police officer), and their connection to your household
- Optional: Share a short message or memory you'd like included

**Deadline for Submissions:** June 6<sup>th</sup>, 2025

Let's make this celebration meaningful by showing appreciation for those who protect and serve. Your participation will help us create a heartfelt tribute that reminds us all of the strength, sacrifice, and spirit that bind our community together.

Thank you for helping us honor our heroes!
