

For the past several years, our community has enjoyed hosting the annual *Trunk or Treat* event at the campground. This year, after seeing the many similar events happening throughout the area, we've decided to take a step back and let that event rest for now. We feel it may have run its course, and we're excited to focus our energy on creating new, festive ways to bring the community together this holiday season.

We're thrilled to announce two brand-new holiday events that we hope will become family traditions for years to come!

✨ **Community Christmas Tree Lighting**

Join us at the Community Center for the lighting of the Four Seasons POA Christmas Tree. If you can't make it to the North Pole this year, join us to sing carols, and enjoy some hot cocoa as we officially kick off the holiday season.

🍭 **Candy Cane Lane Drive-Thru**

Following the tree lighting, take a magical drive over to the POA Campground to experience Candy Cane Lane and enjoy a dazzling display of holiday decorations—sponsored by your neighbors, local business partners, and contractors.

These events will begin at the Community Center on November 29th at 6:00 p.m.

For those who would still like to hand out candy to trick-or-treaters, you are welcome to use the Community Center parking lot on Halloween night. This will allow neighbors who wish to participate to gather and celebrate together in a safe, fun environment.

Thank you for your understanding and continued community spirit. We look forward to celebrating the holidays with everyone soon!
